

CCI Program January 2022 - December 2024

Ambitious three-year program aiming to return Christian perspectives to the very center of public debate in North America, Europe and worldwide. The Program "For Life, Family and Freedom at UN, EU, AU and OSCE and Strengthening Transatlantic Ties" protects Christian values and freedoms at a time when the Christian basis for these achievements is crumbling.

How? By using CCI's consultative status at the UN, EU, and OSCE, to strengthen the protection of Christian values and freedoms and national sovereignty.

How? By mobilizing like-minded decision makers, parliamentarians, CSOs, and media to jointly raise awareness and influence the policy makers to protect Life, Family and Freedom.
