

LIFE

What's at stake:

The EU wants to standardize abortion laws, LGBT promotion and sexualizing education internationally, here in a binding trade treaty with a group of 79 African, Caribbean, and Pacific (ACP) countries, more than 1 billion people. But education and health are matters which belong to national competencies. By pressuring these nations, the EU is subverting sovereignty and Christian values..

What we do:

We alert key leaders in ACP countries and in the EU so that complying with this pressure is prevented. Freedom to enact own legislation must be preserved.

FAMILY

What's at stake:

Western countries are trying to use the UN to add a new term to categories protected by nondiscrimination policies. This term is "sexual orientation and gender identity" (SOGI). Proponents would like to define gender as a feeling, a self-chosen identity, and not as a biological distinction. This new gender ideology denies the Biblical creation order.

What we do:

We participate in public discussions at the UN and lobby for worldwide respect for Biblical directives on marriage and the family.

FREEDOM

What's at stake:

Freedom of education, of religion, and of speech is under increasing international pressure, especially in the EU and the United States. Finnish Christian politician Päivi Räsänen is on trial for inciting hatred because of her expressed Biblical views on homosexuality and marriage. In a similar vein, Hungary is also under attack over its child protection laws.

What we do:

We stand up and publicly defend these freedoms. We provide moral and informational support to individuals and countries under attack for their Christian beliefs and culture.

What we achieve:

ACP-EU Treaty

National Sovereignty Secured

1. Due partly to our efforts to alert EU and ACP member states about serious content problems, the signing of the EU-ACP Treaty has been delayed, already for 2 years.
2. We spoke in the European Parliament to identify problems that would result from passing the Treaty. We also drafted written questions for the European Commission to answer.
3. Through our African office, we supported ACP Members of Parliament by asking critical questions during the EU-ACP Parliamentary Assembly.

United Nations

Norm Creation Order Maintained

1. Through our consultative status, we bring a Christian voice to the United Nations meeting rooms and actively monitor the ongoing agenda.
2. We managed to work with supporters to keep sexual orientation, gender identity, sexualizing education, and LGBT promotion out of norm-setting resolutions.
3. We help to prevent abortion from becoming an international human right.

Hungary - Finland - USA

Defense of Christian Freedom Supported

1. By supporting Hungary's defense of Christian values, we help to prevent the EU from reaching European and international consensus on pro LGBTQ+ and gender ideology.
2. Through our support of the Finnish politician Päivi Räsänen, awareness has been raised in the EU and member states that the Bible is on trial.
3. With our CCI branch in the US, a policymaker network is being formed for the defense of freedom of education and of religion.
